DINE WITH THE DOOLEYS AS WE BUILD OUR FUTURE

February 2016, Chamblee, GA – Vince, Barbara & Suzanne Dooley will be guest speaking at The Elaine Clark Center’s luncheon Wednesday, April 27, 2016 at the Capital City Club, Brookhaven. This ticketed event will be held 11:30am – 1:30pm and will include a Jewelry Silent Auction.

Matthew Dooley, grandson of Vince and Barbara Dooley of Athens, GA and the famed University of Georgia Bulldogs, has cerebral palsy and attended The Elaine Clark Center in the late 90s. Matthew was about to age out of the program when his mother Suzanne stepped in and helped raise nearly \$100,000 to expand the Center’s programming. Suzanne Dooley was instrumental in the growth of The Elaine Clark Center and the Center would not be where it is today without her drive and dedication.

For more than 40 years The Elaine Clark Center has occupied a building in Chamblee and for the first time since its inception will begin a construction project to increase the size of the building which will enable continued growth of the program. The Elaine Clark Center serves children and young adults with special needs from 6 weeks to 22 years old. The mission is to enable children and young adults of all abilities to become confident and contributing citizens of the community through an innovative model of education, therapeutic play and experiential opportunities.
